

St. Mary's School of Piscataway Student Referral Program 2025-2026

Many of our families hear about St. Mary's School of Piscataway through a personal referral from an existing school family. You are our best form of advertising, and we want to reward you for promoting our school to your family and friends! Through our Student Referral Program, your family can receive a \$500.00 tuition credit for referring one new family. In addition, the referred family will also receive a \$500.00 tuition credit. Here is how it works:

- † The Student Referral Program is open to all parents or legal guardians with a student enrolled at St. Mary's School.
- † Tuition credit awards will be given for referring new Pre-K-8 families to the school. To qualify for the incentive, referred students cannot earn a referral credit for a sibling currently or previously enrolled in St. Mary's, and the family cannot already be included in the St. Mary's prospective student database.
- † To qualify, referrals must be acknowledged during initial contact with the school. To receive tuition credit, the referring family must ensure that the prospective family submits the referral form at the time of their first visit.
- † Tuition credit will be awarded after the referred family submits an enrollment application and all registration forms are received by the registrar. To qualify, referred families must remain in good financial standing with the school for at least 30 days.
- † Tuition credits will be applied in October for students starting at the beginning of the school year. Credits for students starting through the end of December will be applied one month following the start date of the referred family. Tuition credit for new students starting from January - May will be applied in October of the following school year if the student remains enrolled at St. Mary's (exception is made only for families of graduating 8th graders).
- † Each St. Mary's family can be awarded only one (1) referral tuition credit per school year for a maximum of \$500 in. The Student Referral Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the Principal.

This form is to be completed by the current St. Mary's School of Piscataway family and returned by the referred family at the time of their first visit.
