

November 7, 2025

Dear Families,

We are pleased to announce that the Archdiocesan Tuition Assistance application window is now open for the 2026–2027 school year.

- **High School applications** will close on **February 13, 2026**.
- **Elementary School applications** will close on **February 27, 2026**.

Please ensure that your application is completed by the appropriate deadline. Any application submitted after the closing date may not be considered for an award unless additional funds become available.

Please note that the Archdiocesan Tuition Assistance Program is now using a new service provider: **FACTS**. To apply, log into the family portal, click financial, and then click on the financial aid application. Families applying to multiple schools may submit **one application** for all intended schools.

We strongly encourage families to begin the application process early to avoid delays.

Thank you for your attention to this important matter.

Sincerely,

Ms. Moreno
